

How do we schedule a tour?

Just fill out the contact form on our website and we will send you our latest brochure and pricing. If we look like a good fit for you, we would love to show you around Agritopia Farm.

How much is the deposit to book a date?

We require a \$1500 non-refundable Security Deposit upon signing a formal Letter of Intent to officially book your event and hold your date. Our venue coordinator will create your proposal, maps and connect you with our exclusive bar, rental and catering companies to get you started. We also have a list of preferred vendors we love too! Your Security Deposit is applied to your rental fee of the property. Final payment is 30 days before your event.

Do you offer a dedicated coordinator?

Whether you want to plan every detail of your event yourself or have a full-service planner help you make those decisions, we do require that you hire a professional planner (with insurance) at least one month before your big day. The Helm Events manages your contracts, connects you to our vendors and creates maps leading up to 30 days to your event. We attend your 30-day walk thru with you and your planner, and manage the venue on the day of your event as well.

How many hours can we be on property?

You are renting our property for the day, so you may come as early as you wish.

Can I bring in my own vendors?

Because we are a certified organic working farm, we do require our clients to use our exclusive vendors for bar, rentals and catering. We also provide a list of our preferred vendors for all other services whom we love. All outside vendors like your photographer, florist, Dj and decor will need to have business insurance to work on our property.

Can we provide our own liquor for the bar?

Yes! You can discuss your options with our fabulous bartenders at your tasting. Couple of Bartenders is our exclusive bartending company and holds the liquor license for any events on our property..

Do you have noise restrictions?

The Town of Gilbert sound regulations allow outdoor music at a specified level until 10 p.m. If your guests want to continue to party all night long, they have the advantage of 12 West Brewery and Garage East at Barnone on our property. You can also opt for a silent disco with one of our preferred DJs.

Do you have a back-up for poor weather?

In the event of predicted rain on your event day, you have the option to tent for one area at your expense. We will contact the rental company and arrange set up and take down. Bright Event Rental requires 72 hour notice to guarantee a tent at Agritopia Farm.

Do you have decor restrictions?

Because we are a certified working organic farm, we ask that any candles have a hurricane or vase to cover the flame. We do not allow confetti, silk petals or sparklers.

Do you have decor items we can use?

We do! We have lanterns (white, black, gold) with LED candles you can use. For your ceremony, we have a wood octagon arch or pipe arch. We have white pallets, two copper pipe stands and window pane for welcoming guests or a seating chart. Lastly, we have three wine barrels with wood table tops.

Are pets allowed?

Yes! Pets are allowed upon approval. We also welcome the Bartending Burro to carry drinks for your guests too!

What is your ceremony tree?

All of our clients have the opportunity to use one of our wine barrels with a citrus tree and soil for their ceremony. You each scoop soil and pour it in the tree base to signify two becoming one and a growing marriage. It also lets your guests know that a portion of your rental of the property goes directly back to the Johnstone Family Foundation for Agriculture (501c3), which funds Agritopia Farm.

Do you have a bridal suite or groom room?

You may rent half of The Farm House (\$250 for the day) to get ready for your big day. It has its own entrance in the front office (with a fireplace), a personal powder room and boardroom. The back patio is also available to hang out. If you do not rent it for the entire day, you may use The Farm House up to two hours before your ceremony to slip your dress on. This is where we hide our bride before a first look or ceremony!

Can we use the produce from the Farm?

To experience a true farm-to-table experience, our exclusive caterers are able to purchase produce for your meal! It could be a spring mix or kale for your salad, zucchini side dish or citrus garnish for your drinks. It just depends what is growing in the Farm.

Do you host public open house events?

We actually love giving private tours to interested clients to allow flexibility with your schedule and one-on-one time to ask all the questions you might have.

Are the grapevines/trees green all year?

The grape vines/trees do lose their leaves in the winter. We can send you a brochure of what our seasons look like so you can be prepared..

Why do you not host weddings

May - August?

Not only is it super hot in Arizona, but we irrigate more often and that is when the mosquitoes come out.

What hotels or AirBnbs are nearby?

We have a list of hotels nearby for your out-of-town guests. Most hotels provide shuttle service to and from Agritopia Farm if a group rate is booked.

Do you offer military discounts?

Absolutely! We are thankful for your service. We just require a formal ID to receive at discount.

Why do rentals have to be separate?

It is actually to your benefit to manage the rentals, because our rent runs from up to 50, 100, 150 and if you have 75 guests or 125, it is less expensive to rent the exact number of tables and chairs instead of rounded up.
